

## Commodore Steve Kridelbaugh

Here we are, already through the Spring series and headed for the Junior Sailing School and the 4<sup>th</sup> of July celebration in less than two weeks. Why do summers always go by so quickly? Before you know it, it will be Labor Day and we'll be saying where has the summer gone? So get out on the water and enjoy sailing and the other members of the club. We miss you. The sailing has been great – no terrifying winds that automatically make you want to run back to the club house

from the docks when you hear the rigging whistling in the wind. Actually, it's the wind gusts that set us all on edge – nasty things.

George Tinker has 41 juniors registered for the Junior Sailing Class – one of the larger groups of junior sailors in a long time. Hopefully, this is a great harbinger of our sport growing in future years.

Linda and I are off to Alaska this weekend on a 7 day cruise with old-time friends, so we will miss the Potluck, comradeship, and sailing this coming weekend. We will toast all of you on Sunday with a glass of wine. Take care and we'll see you on the water for the 4<sup>th</sup> of July celebrations and sailing.

Fair winds.... Steve Kridelbaugh, Commodore

## ✍ **Board Notes** ✍

June 6, 2007

Official Board minutes and complete treasurer's report are posted in the clubhouse. Committee information is gathered at Board meeting and directly from the Chairs.

### Infrastructure Committees

**MOORINGS & DOCKS:** (David Laird) SJ21 docks are needed for new members. Members assigned SJ21 docks spaces that are not being utilized will be asked to surrender their dock space on a seasonal basis.

**ROADS & GROUNDS:** (Richard Rudder) Please rip out any ivy growing on trees.

**INFRASTRUCTURE SYSTEMS** (Rob Schab): Steve Kridelbaugh reported that the locator service will be employed during June to locate the electrical lines, plot them and infer the location of the water and sewer lines as adjacent unless known to be different. Selective replacement of the water lines will be undertaken with emphasis on the distribution hubs. Some parts are already stocked.

**WORK PARTY** (Sean Randle) Saturday, June 23<sup>rd</sup> at 9 AM. The focus will be:

- clearing small 2-4 inch Alder between trailers on low level and the Upper Crust and between the trailers and boat ramp road on the lower level. Bring your chain saw and wheel barrows.
- work on the docks. The outer most docks have to be tied to the pilings and not just to the "brow logs", however, we have to find the right fixtures before this work can proceed.
- weed-eating road and boat storage area

### Racing Committees

**RACE:** (Shawn Randle) The start for Wednesday races will be adjusted with the A & B fleets starting together and scored separately. *The Wednesday race sequence starts at 6:55 PM.*

**LABOR DAY REGATTA:** (Thad Vincent) Call Thad or Chair to reserve your favorite duty for the big event.

### Other Committees

**MEMBERSHIP:** (Dick Vigue) John & Lindsey O'Reilly and Trish Mace were approved for family membership.

**SOCIAL:** (Colleen Cardas & Jessica Randle) On July 1, races will start at 1:00 with 2 races followed by a BBQ and social. Boat cruises to view the fireworks are expected. A donation of \$100 was made to the Lakeside fireworks program.

### Old/New Business

The Oregon State Marine Board Clean Marina certification program was presented by George Tinker for consideration by CBYC to adopt the best practices management of activities of boats and impacts on water quality. The program is voluntary, has no fees, and has no regulatory implications. Certification as a Clean Marina has benefits for materials, signs, and grant eligibility. George pointed out that this is an opportunity for CBYC to demonstrate appropriate best practices as a marina on Tenmile Lake. To learn more go to [www.boatoregon.com](http://www.boatoregon.com), select CleanMarina.

## **Scuttlebutt**

**WANTED:** One person sailboat, such as, Laser, Sunfish, or McScow. Contact Susan Paterson, 541-756-5286

**YACHT YAK:** The Coos Bay Yacht Club publishes the Yacht Yak monthly and is available on the CBYC website [www.CoosBayYachtClub.org](http://www.CoosBayYachtClub.org) and by mail. All members are invited to submit articles, pictures, and other news to Editor Linda Kridelbaugh. Please submit by the monthly board meeting, 541-756-0344 or [kridelbaugh@verizon.net](mailto:kridelbaugh@verizon.net)

## 2007 Memorial Day Regatta

On a chilly, windy, and gusty Sunday, 18 boats hit the start line for the 3-race Memorial Day Regatta. The first and third race courses were our typical routes but the second race had a downwind start (5-4-3-2-1-4-F) with all skippers having a clear start. It was a great day of sailing with a barbeque to finish the event.

A couple of sailors did become contenders for the infamous Booby Prize! Dale Helland and crew Martin Calery gave the spectators at The Point a real thrill when they zigzagged to first wash the portside windows, then the starboard, and then the portside again! The story goes that when a gust hit Martin slipped onto the floor of the cockpit with the jib cleated ... Tenmile sailors know the rest of the story. The second contender, Sean Randle, gave away his lead twice – during the first and second races. While accepting his first place prize, Uncle Tom Mills thanked *Wong Way Wandle* for letting him slip by twice!

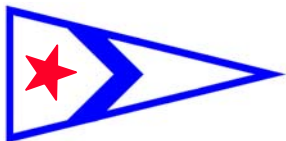

Steve and Linda Kridelbaugh thank all of you who helped make this another fun and successful regatta but especially George Tinker and Tom Benz in the safety boat and Mary Benz for setting up the barbeque/potluck.
