

## Commodore Thad Vincent

November was the month for the change of command that took place at the annual commodore's banquet. I am humbled by the 67 commodores that have given so much of their time and effort to make Coos Bay Yacht Club the great club that it is today. I want to thank Commodore and Mrs. Kridelbaugh for heading the committee that took our yacht club in to the 21<sup>st</sup> Century by updating the By-Laws. We now have principles upon which to govern ourselves that meet the needs of a modern-day non-profit social organization. As 2008 quickly approaches, I want to continue in the same Corinthian spirit as previous commodores who encouraged sailboat racing, social events and social responsibility in our community.
