#### UPCOMING EVENTS

Oktoberfest October 16

Jean and I have just returned from the Eugene Yacht Club Harvest Regatta. We had four San Juan's from Coos Bay and one from Eugene. We had our own Start and Class. They awarded three trophies, Sean Randle #1, Scott Randle #2, Tom Kyle #3. Perry Wickham was able to pick up a crew and did very well.

Phil Root was the Regatta chair and made us very welcome. Eugene has a very nice facility but it was noticeable that the majority of boats on the grounds were not being sailed.

The Labor Day Regatta went great and I want to thank Richard & Wendy for heading up the event. They and the chairpersons they chose picked co-chairs that will take over those events next year. Mary Benz & Jean Kyle have chaired the two main dinners for the last several years and next year it will be Shannon Randle & Tammy Northcutt. I like the energy that appeared at the club and atmosphere during the event. The clubhouse and barbecue area worked out great and I heard something about a "butt" dance occurring behind the counters.

The Nominating Committee has been meeting and has a slate of candidates ready to present at the September potluck meeting. Thank you for the work and thank you the people who have volunteered to serve. Ballots will be sent out in October.

The Invitations for the Commodores Banquet will be going out in October also. The date is November 6, 2010 at the Mill Casino.

I will be traveling the first part of October and will not be able to make the scheduled Board meeting or annual potluck meeting. Richard or Garth will be presiding at the October Annual Meeting and I am moving the Board Meeting to September 29, 2010 at Kyle Electric, Room 208

**See you on the Water.**

## 61<sup>st</sup> Annual Labor Day Regatta – A Good Time Was Had By All!!!!

According to the Chairperson of the Race Committee, Bruce Harlan, there were 43 boats in the Regatta this year! The event was well attended with folks as far away as Vancouver, B.C. representing a class of Tasar boats that were really fun to watch! As always, the winds were unpredictable, the words “survivor sailing” were heard throughout the weekend. Saturday’s first 3 races brought a serious head wound, a scary eye-injury (our very own Dr. Patti Gates did a superb job with the patient, in between serving oysters, breakfast and mopping floors!). We saw lots of boats go over, lots of hats in the water and even a broken mast on a San Juan 21!

In spite of the traditional Labor Day mega winds, after the days 3 races everyone got to relax and enjoy a superb spaghetti dinner! The sauce was lovingly hand prepared by Darcy Cardas and a stellar experienced crew (led by Mary Benz) served 147 dinners. On Sunday, the winds were a bit less menacing, yet still challenging and then all met for our annual “famous” salmon dinner. The King and Queen of salmon; Dave & Bonnie Morgan oversaw the salmon cooking and serving and our very own Madam Commodore, Jean Kyle with her Co-Chair Tammy Northcutt gave us a fabulous meal! We cooked about 150 lbs. of salmon!! Mmmmmmmmm!! We also have a new “tradition” served ala Gates, grilled oysters; Kelly & Tammy Northcutt were there shucking away as well. On Sat. morning the members and guests were provided with muffins and coffee, served by Anjo Mills. Sunday morning Jon & Kathy Richards, with the help of Donna & Steve Mast served up a full course of blueberry pancakes, French toast, egg, ham breakfast that was superb! For all who needed lunch Jon & Lorna Barney, along with Carole Tinker, prepared sandwiches and fixings for our sack lunches.

After the salmon dinner, trophies were presented to all; it felt like there is a lot of generational learning, sharing, mentoring and love in our group! We were very moved by the humility and gratitude of those accepting their trophies. Also, we were happy to recognize our Commodore, Tom Kyle, (with a well-deserved standing ovation) for his tireless efforts to oversee, schedule, manage and work to make our newly remodeled clubhouse such a work of art!

On Sunday we were happy to meet a very nice couple, Tom & Shannon; they want to buy a sailboat, learn to sail and eventually become ocean sailors. They stayed most of the afternoon, watching the races and getting a tour of the club. When we walked to dinner on Sunday they were right in the fray, shucking oysters with the Gates! Just received an e-mail from them, they would like to join our club! To wrap up the weekend, on Monday morning, Chris & Donna Von Lobedan, Gordon & Patti Gates supervised the younger set, the heirs to the club, all the Junior sailors who scrambled, diced, smiled and served another wonderful breakfast.

It was also our pleasure to meet all the folks that traveled to attend our Regatta, each visitor was so nice, with great young children learning how to sail. We learned a lot, forgot a few things, bought too many of certain items, etc. But we had a GREAT time making so many new friends!

On the front end, all the work parties, led by Garth & Michelle Frost and all the members who worked so hard, painting, cleaning, scrubbing floors, weed-eating, tree chopping to the final cleanup crew we are a well oiled machine!

All in all, I would say it was a mad, gay whirl! Many hands make light work. It took a great amount of work, fortitude and love, before, during and after the Regatta. We are honored and grateful to be a part of such a wonderful team and CBYC family!

Vice Commodore,  
Richard (Rowdy) and Wendy Lynn Rudder

## The CBYC recycling effort needs your cooperation.

At CBYC we are not recycling anything glass. Please follow the instructions for proper placement into the containers. Mixed products in the containers make additional work for your membership.

## CHRISTMAS LIGHTS AT SHORE ACRES

It's almost that time again. Please contact Claudia Moore if you are interested in helping CBYC host December 19.

# 2010 Geary 18 Internationals and Fred Harley Series

By Thad Vincent

## Geary 18 Internationals

Michael Rodde with crew Michelle Rodde, both from Canada, won the 2010 Geary 18 International Sailing Championships on July 15-18 held at Howard Prairie, a lake at 5,000 feet elevation in the high desert near Ashland, Oregon. Three days of racing with 8 total races and 1 drop along with decent winds, a beautiful setting and long reaches – made this years Internationals a success.

On the third day of racing the scores were so erratic it was hard to tell who was going to place in what position as many boats were tied or within one point of each other. Barney and Rodde had the same final scores and the same finishes so it came down to who did best in the final race. Rodde finished ahead of Barney on the final race which determined the final standing

1<sup>st</sup> Michael Rodde, Michelle Rodde

4<sup>th</sup> Scott Randle, Shannon Randle

7<sup>th</sup> Sean Randle, Jessica Randle

10<sup>th</sup> Emily Vincent, Joseph Anderson

2<sup>nd</sup> Oscar Barney, Brian Webb

5<sup>th</sup> Thad Vincent, Laura Vincent

## Geary 18 Fred Harley Series

The winners of the 2010 Geary 18 Fred Harley Series are Darin O'Bryan with crew Ceise O'Bryan. They sailed consistently well in the regatta which had steady breezes and long reaches. The O'Bryans will take home the Fred Harley Championship Trophy which began in 1966 and is named after Fred Harley who along with Ted Geary founded the Geary 18 Association. The winners will move on to the Internationals in the following year.

1st Darin O'Bryan, Ceise O'Bryan

2nd Debbie Ektrose, Robert Ektros
