

WELCOME!

The 2020 Sailing Season is about to begin at the CBYC!

Commodore Chris Gedrose' goal this year is to get folks sailing so get ready to launch your boat or hop on one and get out on the lake! There will be lots of opportunities this year to learn, race and sail leisurely.

You will see some new faces and exciting new changes happening around the Club! The Membership Committee has expanded and will be working hard this year to keep you informed on all things sailing, fun and business. Please send all contact updates and news items to membership.cbyc@gmail.com.
