

Coos Bay Yacht Club
Jr. Sailing School – June 25 - 29, 2019
For Youths 10 – 18 Years Old

We will be teaching boating and basic water safety, care and rigging of small sailboats, sailing techniques, beginning racing techniques, and basic rules. Classes are held dialing 9:00 AM – 4:30 PM. An end of school race will be held on Saturday, June 29th. The race will start at 11:00 AM with a bring-your-own-meat BBQ, award and ice cream dessert following the final race. All family members are welcome!

The Sailing School will consist of several instructional levels of class with a goal of instructing the beginning sailor students with up to three years of previous CBYC Sailing School experience mixed in the same class. Beginning students will sail a Holder Hawk. Past Beginning Sailing students should consider themselves for the advanced class if they are confident of their skills or have completed three summers of beginning sailing. The advanced class for 2019 will consist of a variety of racing formats and practice racing. Advanced students will sail a Laser. Students with more than three years in sailing school are welcomed to assist with instruction of the Beginning Sailing students.

Daily attendance for the full week is expected.

1. Students must be able to swim well enough to enable themselves to get back into a capsized boat. A basic swim test is required.
2. All students need a supervising parent or adult CBYC member sponsor **present on site** who is responsible for entry, information, and supervision during the “on the docks” and “on the water” activities. A “shortie (or full length) wet suit” is recommended for warmth, some are available for loan. Shoes are required to be worn at all times while on the docks. No “free swimming” time is allowed during the lunch break.
