Welcome beginners, intermediate and expert sailors attending this event. On the water will include the generous volunteer work of our seasoned sailors who will allow members and community participants to board their vessel and learn about sailing. Coos Bay Yacht Club has a variety of boats ranging from 10-28ft. We have sailboats for sale as well. Our adult fleets include MC Scow (18'), Geary 18', and San Juan 21'. All boats have something different to offer. Come and join a day of fun at the lake. Come join a fleet! Learn to sail.

**\*If you or your group haven't signed up or you wish to volunteer and are not on the list already, please:**
