

**October, 2019**

## **Message from the Commodore**

Good Morning Yacht Club,

We eagerly anticipate seeing you at the Commodore's Banquet on the 2<sup>nd</sup>. Thank you for all we have been able to participate this year. We look forward to what next year will bring. Please come and meet the next years leaders and board. We also can't leave out the booby, turtle and try harder awards. If you don't know what these are ask the Yacht Yak editor she is an expert. I want to thank all those who served on the board this year and the countless hours they donated. Remember all dogs must be on a leash and in control. Boats off the water by November 1<sup>st</sup>. The off season is filled with sanding and painting. With all the new members I can't wait to see what next year brings.

Happy Sailing,

*Gary Hodson*, **Commodore**

Questions or concerns contact:

**George Tinker 541-297-2869**

**Frank Burger 541-267-3179**

---

## Security Report:

The storeroom between the restrooms at the point must be maintained secure by locking both door locks – this is the Race Committee duty at the end of the regular Sunday races.

The gate security and lock usage has been a continuing problem. The gate is to be locked at all times coming and going. Meet your guests at the gate. The club lock goes on TOP! The gate may be left open for club events only by permission of the Commodore. At that time the entire pin and locks will be removed. Members could expect the gate to be locked at the end of the event. Since the “major theft” the gate has been left open, a key was found on the gate shelf, the lock and pin removed and locked with the gate open, the lock placed in the wrong location and in addition over a dozen “unlocked situations” reported of our facility!

CBYC gate lock (has red tape) on the TOP. To open, press against the gate and remove the lock and catch the pin. To re lock, close the gate, insert the wire to the bottom of the hole, hook onto the pin, raise the pin to the top, press against the gate to hold the pin in place and replace the lock. Make sure the lock is securely locked.

Security cameras are being set to be installed but are not yet in place.

The **Coos County Marine Deputies** toured our facility and offered suggestions to improve our security. They were each provided a key, our schedule, and encouraged to visit our facility ashore anytime. Please make them feel welcome as we establish a liaison to help us year round and especially mid-week and in the off season. They are Jon Holder, Justin Clayburn and Will Coleman. Please give them a full

wave when you see them on the water- their boat is a little “stealthy looking” when seen from a distance however you won’t mistake it if you see the blue lights on. They operate several types of boats and keep one in the boathouse next to the county ramp during the summer. **They wanted to know how to identify members – the answer is adult member will have a key just like theirs, and will have a membership card. Please keep you membership card in your vehicle or wallet, especially in the off season.** They were informed any boat at our docks after November 1 is cause for further investigation.

# Duty Schedule

**Please be responsible and find your own replacement if needed**

**Race Committee Safety Boat Restroom Clubhouse Potluck**

Oct 19 Work Party

Oct 20 1pm Potluck/Elections

Preston

(Potluck) \*Moore, Trenner, Gedrose, Kyle

Nov 1 Boats off the water!

Nov 2 **COMMODORE’S BANQUET, OCCI**

Nov 12 Board Meeting 6:00pm “Change of Guards”

Dec 4 Board Meeting 6:00pm CB

# For Sale

## Club owned Property For Sale: Make a “sealed envelope” offer by **November 11** to Chris Gedrose or Shari Main

**MC Scow hull/sail #344**; includes a nice trailer w/ new tires, safety chains (valued at \$6-700), boat cover, mast, sail w/ bag, owner says boat is solid and can be sailed right away. Could use some TLC like new sheets & control lines, maintenance.

This sailboat is being donated by Martin Callery to the new Coos Sailing Foundation (Coos Bay Yacht Club). This is a 501 c 3 charitable foundation sponsored by Coos Bay Yacht Club. (Minumum bid \$150.00)

# Club owned Property For Sale: Make offer by November 11

\*-Mercury Outboard 7.5 HP two cycle, tuned up prior to current storage, includes gas can. Believed to be in excellent condition. Located in clubhouse basement, left rear corner. min bid \$150.00

-Zodiac (FREE)

-5 Buoys \$35.00, OBO

Contact Shari Main or Chris Gedrose by Nov 11 with best offers

# For Sale:

Tired of your First Mate? Is it time for them to get their own boat?  
Tired of your Captain? Is it time for **YOU** to get your own boat?  
Want your best friend to join CBYC so you can beat the pants off him/her?

## MC Scow For Sale

1979 Melges MC Scow #522

**\$1250.<sup>00</sup>** (Firm)

Great condition with a blue dock cover  
Includes title, trailer and 2 sails.

This boat is located in Redding, CA. They're hard to find on the West Coast but since it was originally from CBYC, we'd like to see it find a home back on Tenmile Lake to continue racing in the Scow fleet. It was originally the gold Beach Bum but underwent a facelift with high-end Racing Red automotive paint. I'd be happy to take close-up photos of any part of the boat upon request and I'm willing to meet halfway in Medford for delivery.
