Message from the Commodore

Hello Everyone,

May 14, 2019

We had a fabulous time with all for the Commodore's Cup. Work party and potluck was well attended. Craig and his crew installed 2 new benches near play structure so parents can watch their kids.

Randy L. and Ruth B. cleaned gutters and roofs. Others weed eating and picking up brush piles. Thank you for all who attended.

I'm taking a little vacation and Chris G. is my stand in. I will be returning on the 28th but will have access to my email sparingly.

Wifi is being installed as this letter is being written.

We had a large group from in town at the club today. They have been meeting at the club once each year for several years now. Thank you for a club house where we can meet.

On a more serious note a new key was found by the lock up at the gate. We have multiple people spending their time and energy to make our oasis more secure. We can't have this done again. We can't go about our day thinking that the good ole days will be coming just around the corner. We must protect our property and others.

Looks like it could be a little cool this weekend for sailing. Dress warm.

Happy Sailings

Gary Hodson, Commodore

Calendar of Events

~ Work Party

Saturday , May 18, 9:00 am

Work parties May-October will be held the 3rd Saturday of each month at 9:00 am. This is the Saturday before Potluck Sundays.

explanations, Bylaws, and more
information!**

UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY
The civilian component of the U.S. Coast Guard
(Authorized by Congress in 1939)

US Coast Guard Auxiliary offers a Boating Class

The US Coast Guard Auxiliary will conduct an 8 hour boating safety education course monthly in Charleston. The course covers the basics of boating safety, required equipment, rules of the road, and Oregon boating laws. A test at the end of the course will qualify boaters for their Boater Education Card, under the Oregon Mandatory Boater Education Program. The Boater Education Card is required for all motorboat operators of all ages for boats over ten horsepower. Additional provisions apply to youths. The Class is taught by certified US Coast Guard Auxiliary and Oregon State Marine Board instructors. The cost of the course and materials is \$15.

Pre-registration is required.

To register for the class, please call (541) 267-6152.

Note: You need the Mandatory Boaters Safety Education Card to drive the Safety Boat.

Security Committee

Theft and suspicious activity should be reported immediately!

Call 911 for emergencies!

CBYC address is **96334 North Lake Ln Lakeside**

***Put this in your yearbook to have access to it at the club.**

Contact:

George Tinker 541-297-2869

Frank Burger 541-267-3179

They are the leads to our security committee. They are working to bring the members information to prevent, and respond quickly to future needs. There has been more signage at the club. Wifi is going up and then security cameras. Friday May 24 there will be a crew installing Wifi at the Club. The next Security Meeting will be announced. Contact George or Frank for any concerns or questions

Duty Schedule

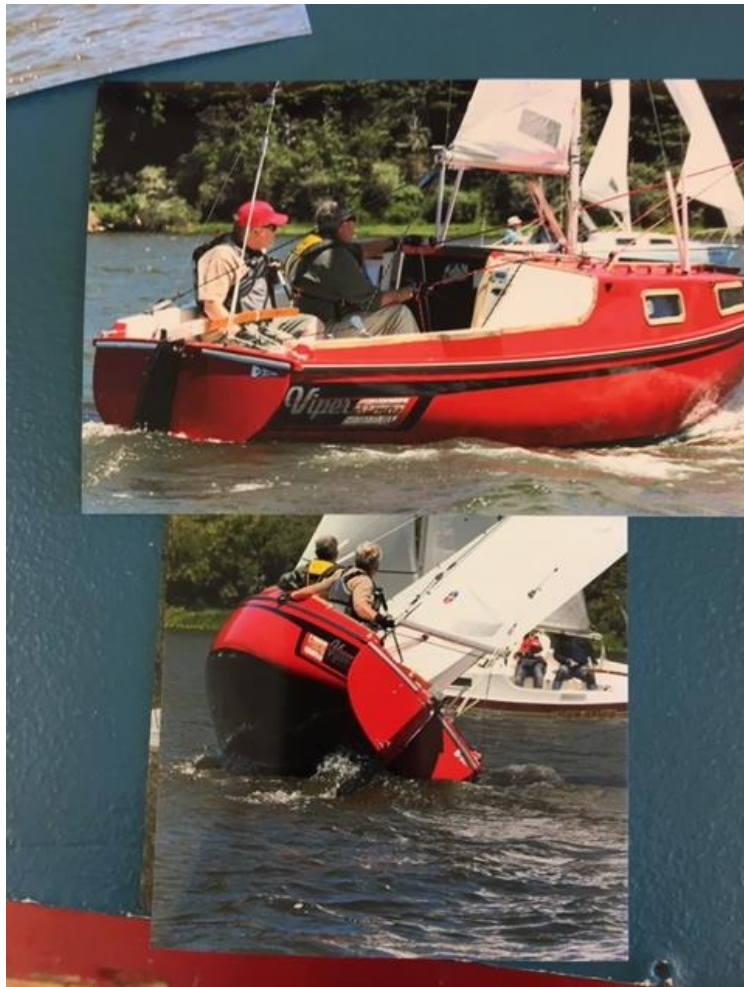

Please be responsible and find your own replacement if needed

San Juan 21 For Sale *Mas Altas* \$3700

Mark 2 1981 Hull/Sail 2466 OR 353LP registered for 2020

This San Juan has been cared for 36 years by an almost original owner at the Coos Bay Yacht Club. The boat raced well competitively yearly on Tenmile Lake near Lakeside, Oregon. The boat has been winter stored under cover. The owner will mentor a new owner at Coos Bay Yacht Club during the summer of 2019.

The boat has an aluminum control bridge above the companion way for cockpit controls of jib, vang, outhaul, downhaul and main sail. The rear stay has compound advantage adjustment and the jib has a simpler compound adjustment. Two Harken winches with adjacent cam cleats are placed for the main sail control and a winch handle are included. The shrouds and chain plate are fastened to an aluminum bulk head plate replacing the original wood. There is quality rigging and cam cleats throughout. Two sets of working sails and a genoa with sail bags are included. Working sails in “like new” to very good condition; all are suitable for racing. A whisker pole, anchor, attached two step ladder, outboard bracket, mooring lines, two paddles, two fenders, throw bag, life jackets, mast crutch, and a trailer (no spare tire) are included. Aft has lazarette storage; forward has a bow pulpit. Four berth cushions are in “like new” condition. The bottom paint is VC 17 applied in 2018. The deck and hull are sound with no soft spots. US Sailing book “The Racing Rules of Sailing” is included.

The boat is located in Coos Bay, Oregon.

No emails please. Please call George Tinker at 541-2six7-6one five 2

Geary 18 "Flattie". Asking \$1000, includes trailer and several sets of sails (all older). If you or someone you know is interested please give Garth a call, 541-404-2210 for more information.
